

Lenten Lunch 2017

A joint ministry of United Methodist Churches in Fauquier County.

Grace and peace to you in the name of our Risen Lord, Jesus Christ!

Purpose:

In an effort to form a tighter connection and community relationship between United Methodist Churches in northern Fauquier County, we are offering a Lenten *ministry* and *mission* through which we might walk more closely with one another as we strive to follow Jesus as we walk in God's way through the world in which we live.

When and Where:

A short service of about thirty minutes will begin at noon on the days and at the churches listed on the back of this invitation. Following worship, we will share a time of fellowship as we break bread with one another.

Mission:

There is no cost for the service and meal that will be provided. However, we ask everyone who attends a service to bring a gift that will be used to benefit our Fauquier County neighbors. You may bring either a gift of canned goods that will be given to a local food bank; or you may give a monetary gift that will be used to fund mission work in Fauquier County.

We hope you will join us!
And, don't forget to bring a
friend along with you!
